

EAMS DEMOLITION DERBY RULES - AUGUST 23, 2025

FRONT WHEEL DRIVE CARS ONLY! No Trucks, SUVs, Limos, or Hearsts.

1. All cars must be stripped of all glass, body molding, and all exterior lighting. The interior and trunk area must be cleaned of anything that could injure driver during derby.
2. May have boat type fuel tank, which must be securely mounted behind driver's seat. 5 gallons max.
3. Battery may be relocated. Must be secured and covered.
4. The radiator must remain in stock location.
5. All doors must be chained, welded, or wired closed to prevent from opening during the Derby. Metal straps can be welded to the door seams with a 3 in wide X 1/8 thick max.
6. Trunks must remain open for inspection and Chained after. Trunks must remain empty.
7. No adding of metal to any frame, body or suspensions allowed, except driver's door which may be reinforced for safety. No reinforcement of front end, rear end, radiator support, fenders or anywhere on car. Frame may not be altered in any way and NO trailer hitches allowed. No adding water to tires.
8. No doubling of body panels allowed, no added metal allowed. Rusted out holes in your floor sheet metal may be patched where components will be mounted or for drivers safety, sheet metal only. No other sheet metal patching is allowed unless it is a safety issue. You may not patch clean and solid floors.
9. Transmission must remain stock.
10. Rear Ends must be stock to year of car.
11. All drivers will use DOT approved helmet and use seat belts at all times. Shoes and pants are required.
12. All cars must have working brakes.
13. Drivers must remain in the vehicle with helmet, seatbelt and eye protection on until notified by an official that it is safe to exit the vehicle.
14. All vehicles must have a fire extinguisher mounted within the drivers reach, inside the car.
15. Driver's door hits are illegal. If the hit is deemed by the official to be careless or intentional, you will be DQ'd.
16. Any open door or fire will be cause for disqualification.
17. You must make aggressive hit every 60 seconds. You will not be given any warnings: you will just be timed out.
18. All glass must be removed
19. Rear ends must be of a passenger car origin, 5 lug maximum. Aluminum or steel wheels permitted.
20. You may not add cooling capacity. No supplemental cooling devices allowed.
21. Suspension must be original factory suspension for that car.
22. Just because it's not listed in these rules doesn't make it legal. If you are not sure about a rule, contact us.
23. All cars must pass inspection before being allowed to compete.
24. Officials and Tech inspectors have final decision on all rules!!!!!!
