

### **EAMS TIRE POLICY**

**East Alabama Motor Speedway has the policy of  
NO Chemical Treating or Altering of Tires**

**This applies to all divisions at any time throughout the weekend.**

**A competitor's tires may be checked at any time for treatment.**

As deemed necessary, competitors tire sample(s) may be taken and sent to a qualified lab for testing. Samples will be taken by the competitor in the company of EAMS officials ONLY using a grooving iron provided by the competitor. Three samples will be obtained. Each sample will be placed in glass vial by the competitor and sealed in an evidence bag. The evidence bag will be marked accordingly and signed by the competitor, and the Chief Technical Inspector. The samples will be overnighted to the lab the following business day. Results will be available to competitor once received from the lab. Results will then be posted to website & social media outlets.

Any violation with any tire presented for competition may result in immediate disqualification from the events and or other penalties, including, but not limited to loss of money, loss of points, fine, and/or suspension.
