

2023 LATE MODEL SPORTSMAN 602 **CHARGER CLASS**

This class is designed for the racer that needs seat time, additional experience, or fine tuning on their racecar before moving into the ultra-competitive LMS 602 Class that runs weekly at East Alabama Motor Speedway

RULES AND ELIGIBILITY REQUIREMENTS

1. The same rule package will be used for this 602 Charger class as used in the LMS 602 class.
2. All other track and general rules remain in effect for this class.
3. There will be no points accumulated for this class.
4. Drivers will NOT be eligible for this class if they have won a race or championship in Late Model Sportsman or any higher class in the last three years.
5. Track reserves the right to final determination of eligible participants.
6. Drivers will draw for their starting positions.
7. Winner from previous week can start no better than 6th in the next scheduled race he/she participates in in this class.
8. If a driver has a total of 3 or more wins in this class during one season (including wins from other tracks), they must advance to the LMS 602 class at the beginning of the next season.
